History Walk

Transition Year 2020/2021

Transition Yr class 4A enjoyed an excursion around Nenagh on Thursday last as part of their History Module, writes *Grainne O Meara TY.*

Using a laminated map produced by previous Ty Students in conjunction with The Tipperary Museum, we orientated our way through the streets of Nenagh in search of photographic clues that all connected to significant historical landmarks.

We were all surprised at the wealth of History that we walk past every day in our town and the stories that lie behind them. We finished our adventure at the wonderful Nenagh Castle and sat enjoying the late summer sun amongst the lavender in the recently renovated Gill's Garden. Thanks to Ms. Ryan our History teacher for accompanying us.
